Shabbat Chol Ha'moed Sukkot

KIDS CLUB AT 11:00 AM

Sukkot

Over-hanging trees

It says that in order for a Sukkah to be kosher it must have no branches hanging over the top of the Sukkah

Number of walls

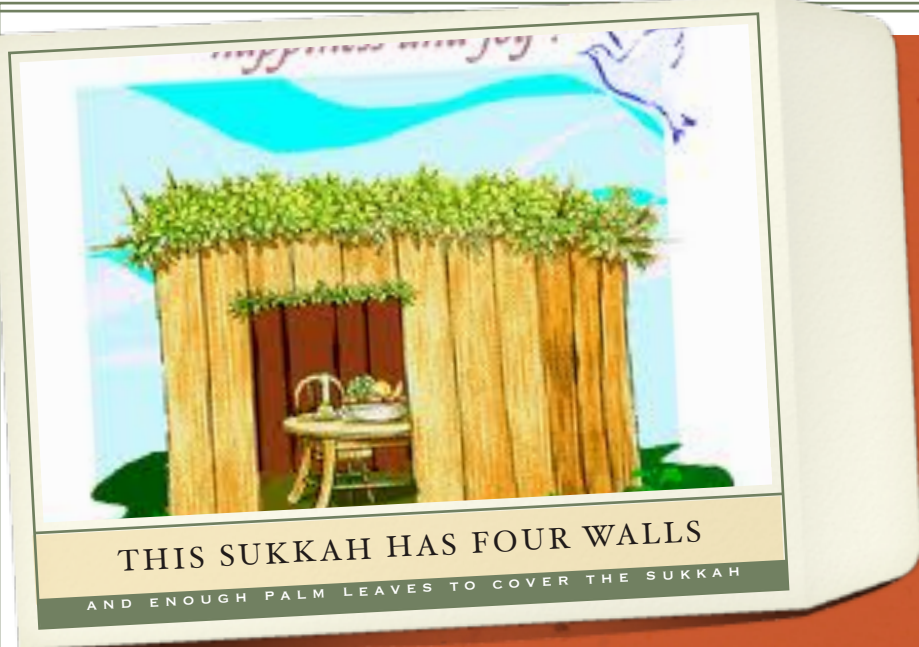

It says that there must be at least 2 1/2 walls for it to be kosher

Walls moving

The walls are not allowed to swing more than about 30cm either way. The walls could move due to wind.

The roof

The covering of the roof must be made of wood or leaves. it must be thick enough for it to be mostly shady but not so thick that you can't see the stars.

THIS SUKKAH HAS FOUR WALLS

AND ENOUGH PALM LEAVES TO COVER THE SUKKAH

There are several things that make a Sukkah kosher and not kosher. These include the number of walls and over hanging trees.
